If it's Medical...think **+ Medisure**

Established in 2005 with a clear focus to become the preeminent provider of specialist insurance products for the healthcare sector to the intermediary market; we have remained committed to the industry and its ever changing environment. Our continued commitment and support to the healthcare industry via our intermediary relationships has strengthened our position in the market place. As a specialist Underwriting Agency, Medisure is focused on ensuring the products available to you, for your clients, are relevant and up to date. Recognising the intricacies that exist within the industry, we are continually reviewing, updating and revising our product offering and risk appetite. The future of Medisure is bright and will continue to grow from strength to strength together with our intermediary partners. We are committed to working with you to provide a product and service second to none.

Treat your clients with policies that are unavailable elsewhere.

Our competitive premiums give you that extra edge.

Make new friends with our one-on-one service.

Call us old fashioned, but we still answer the phone ourselves.

Need advice? Just ask. We don't bite.

Did we mention we love Australia and we only work with insurers who are APRA regulated?

Placement Requirements

Placement of cover requires that a "request for cover" be forwarded to Medisure electronically or via fax. Verbal requests cannot be accepted. You will also be required to provide the following "broker information sheet" if you have not provided us with this document previously. NOTE: Terms cannot be provided unless the relevant information has been provided in full. You will then receive an invoice and schedule of your client's insurances, (in most cases within 24 hours of your request for cover). Please check that the schedule is correct and contact us immediately if this is not the case.
